## **Utilities Department**

### **ATTENTION – ATTENTION - ATTENTION FOR IMMEDIATE RELEASE**

**Date:** 09/17/2020  
**Contact:** Town of Lake Placid – Utilities Department

#### **\* PRECAUTIONARY BOIL WATER NOTICE \***

Due to line repair in the Terraces Area, the Town's water system lost pressure. Loss of pressure requires the issuance of a precautionary boil water notice. The boil water notice affected the Town water system in the **Terraces Area**.

**Those affected are houses on the following streets; Middle View Drive, Beach View Drive who were given a door hanger notice.**

A PRECAUTIONARY BOIL WATER NOTICE will be in effect until a rescind notice has been issued. It is expected to be issued on 09/20/2020 at 12 noon. As required by the Florida Department of Environmental Regulation (FAC 655.340 etc) the utility must have two consecutive days of passing bacteriological samples taken. A rescind notice will be issued when passing results are received from the laboratory.

**As a precaution, the Town of Lake Placid Utilities Department suggests that all water used for drinking or cooking be boiled. A rolling boil of one minute or longer is sufficient. As an alternate, bottled water may be used.**

If you have any questions or for further information, please contact the **Town of Lake Placid Utilities Department** at 863-699-3747.
