

# TOWN OF LAKE PLACID, FLORIDA

## PUBLIC COMMENT PERIOD NOTICE

### TOWN OF LAKE PLACID CDBG GENERAL INFRASTRUCTURE GRANT DRINKING WATER SYSTEM IMPROVEMENT PLAN

The Town of Lake Placid is developing an Application for the Florida Department of Economic Opportunity Community Development Block Grant-Mitigation (CDBG-MIT) Rebuild Florida General Infrastructure Program. The Town is seeking input from potential stakeholders and the public on the grant application.

The Town is applying for approximately \$2,740,250.00 in funding to mitigate the risks to the protected Community Lifelines of Food, Water, Shelter and Health and Medical, through a Drinking Water System Infrastructure Improvement Plan (DWIIP), which will allow the Town to improve its water infrastructure. These funds must be used for the following purposes:

To provide funding to units of general local government (UGLG) such as municipalities and counties, state agencies, non-profits and non-governmental organizations to implement innovative, collaborative, multi-jurisdictional and/or large-scale mitigation activities that reduce previously-identified hazard risks for local communities to better withstand emergency-related challenges. These regional investments include, but are not limited to, upgrading of water, sewer, solid waste, communications, energy, transportation, health, and medical and other public infrastructure projects. The Town's proposed activities include replacement of existing asbestos pipe, potable water lines, production wells, storage tank and water treatment facility.

A public announcement of these funds and the proposed project is posted on the Town's Website and an advertisement is published in the local paper. The public is invited to provide comments on the CDBG-MIT General Infrastructure Program Project. A draft application has been developed and the public is invited to review the draft application posted on the Town's web at <http://www.lakeplacidfl.net/> or to view a hard copy by contacting Joseph Barber, Utilities Director, at phone 863-699-3747, or email: [LPUilities@mylakeplacid.org](mailto:LPUilities@mylakeplacid.org). Written comments may be provided to Joseph Barber and MUST be received no later than August 31, 2020.

For non-English speaking residents, Spanish and Haitian Creole versions of this Notice and the Application will be made available upon request.
